## Full of Empathy *(F.O.E.)*

Genre: Dark Melodic Progressive Metal
Location: Istanbul, Turkey

Full of Empathy is a prog metal band from Istanbul.
Blending emotional, narrative-driven soundscapes with refined artistry and dynamic arrangements, the band is set to debut their live show, opening for Timo Tolkki (Stratovarius) in October 2026.

Founded in early 2025 by musicians from Istanbul metal scene, F.O.E's strength lies in their tight, delicate musicianship and conceptual ambition. Their upcoming debut album sets to explore the conditions of the human mind from different angles. Built on the foundation of elegantly written guitar work, the album echoes with screams of dread, anger a regret while complex rhythms and grooves keep the listener on edge. F.O.E. is the perfect fit for fans of Opeth, Riverside, Porcupine Tree, Anathema, Katatonia and many others.
